

Subject Index

Plants are listed in the Plant Name Index on page **xx**.
Page numbers in italics indicate illustrations or photos.

A

Acloque, Guy, 14
Alderley Grange, 12-14
American Indians, 37
Apuleius Platonicus, 63
arbors and fences, 82, 87-90
arches, 88-89
attars, 70

B

balconies, 127
banks and lawns, 25, 99-101
Barnacle Tree myth, 20
Bartram, John, 37
bee and butterfly gardens, 78
benches and seats, 23, 24-25, 91-93
bitter herbs, 20
black spot, 53
Bock, Heironymus, 36
borders, 45-48. *see also* edgings and hedges
botanic gardens, 36, 37, 39
butterfly and bee gardens, 78

C

Charlemagne, 20
Charles VIII, 27
Château de Villandry, 38-39
Chelsea Physic Garden, 7
Church of the United Society of Believers, 38
climbing herbs, 89, 90
clipping and training, 116-118
cloches, 115-116
cloister gardens, 19
Cloisters of the Metropolitan Museum of Art, 20-21
collector's herb garden, 12-14
colonists, 37, 39
color design, 46, 78, 131-133
companion planting, 53-54
composting, 111, 122
construction of gardens
 overview, 81-82
 arbors and fences, 82, 87-90
 arches, 88-89
 edgings and hedges, 27, 30, 71, 82, 102-106
 paths and paving, 51, 94-98
 planting out, 33-34, 115
 seats and benches, 23, 24-25, 91-93
 trellises, 89
 walls, 83-86
container gardens, 127-128
cottage gardens, 40, 52-54
The Country Housewife's Garden (Lawson), 38
culinary herb chart, 61
culinary herbs, 55-56, 58-62, 63
Culpeper, Nicholas, 36-37, 80

Culpeper House, 40
cuttings, 112-113, 114

D

decoctions, 69
Dioscorides, 6, 36, 37
disease resistance, 53
dock, **155**
drying herbs, 124-126
dryland gardens, 130-131
Dutch Renaissance gardens, 27-28
dyer's garden, 79-80

E

edgings and hedges, 27, 30, 71, 82, 102-106
English knot gardens. *see* knot gardens
The English Physitian (Culpeper), 36-37
essential oils, 70
estrades, 24, 82
evergreens, 46, 59

F

families of herbs, 10
family herb garden, 8-9
The Feate of Gardening (Gardener), 24
fences and arbors, 82, 87-90
fertilizers, 121-122
Fish, Margery, 45
formal gardens, 42
fountains, 24
French Renaissance gardens, 27-28

G

Garden Book (Hanmer), 38
Gardener, Ion, 24
Gerard, John, 36, 80
grasses, 25
gravel, 51, 98. *see also* paving and paths
greenhouses, 116
Grieve, Maude, 40
ground covers, 50-51
gruit herbs, 20

H

Hampton Court, 15, 23, 27-28
Hanmer, Thomas, 38
harvesting herbs, 122-124
Hatfield, England, 34
hedges and edgings, 27, 30, 71, 82, 102-106. *see also* knot gardens
hedging herbs, 34-35, 42, 104-106
Henry VII, 27
Henry VIII, 27
The Herb Society, 7, 40
herbal texts, 20, 36-37, 40
Herbarium (Apuleius), 63
Holinshed, Raphael, 36

'Hortulus' (Strabo), 20

I

informal gardens, 42–43

infusions, 69

Italian Renaissance gardens, 27–28

J

Jardin du Roi, 36

Jekyll, Gertrude, 40, 46

Josselyn, John, 37

Joyfull Newes out of the Newe Founde Worlde (Monardes), 36

K

kitchen herb gardens, 55–59. *see also* culinary herbs

knot gardens

overview, 28–29

declining popularity, 38

designing and planting, 30–35

examples, 14–16, 17, 35

hedging herbs, 34–35

L

Landsberg, Sylvia, 14, 16

lawns and banks, 25, 99–101

Lawson, William, 38

layering, 114, 115

Le Nôtre, André, 38

Lees-Milne, Alvide, 14

Leyden Botanic Garden, 36

Linnaeus, Carl, 37

London Library, 7

Loudon, John Claudius, 39

low-maintenance gardens, 50–51

Lutyens, Edwin, 40

M

Markham, Gervase, 78

Mattioli, Pierandrea, 36, 37

mazes, 30

meadows, wild herb, 49

medicinal herb chart, 67

medicinal herb gardens

overview, 63

example, 10–12

herbal remedies, 63–65

historical development, 18, 19–20, 36–38, 40

planning, 65–69

medieval herb gardens, 18, 23–26

Metropolitan Museum of Art, 20–21

A Modern Herbal (Grieve), 40

Monardes, Nicolas, 36

monastery gardens, 19–22. *see also* medicinal gardens

mulching, 118–121

N

Native Americans, 37

New England's Rarities Discovered (Josselyn), 37

O

orchards, 20

Oxford, England, 36

P

Padua, Italy, 36

paradise gardens, 19, 20

Paradisi i Sole Paradisus Terrestris (Parkinson), 36, 76

Paris, France, 36

Parkinson, John, 14, 36, 76

parterres, 27, 28, 38. *see also* knot gardens

paths and paving, 51, 94–98

patios, 127

pergolas, 88, 127

peristyles, 19

pesticides, 121–122

pesto, 61

pest-repellant plants, 53–54, 121

physic gardens. *see* medicinal herb gardens

planting out, 33–34, 115

poisonous herbs, 63, 65, 68–69

ponds, 130

potpourri herbs, 74

preserving herbs, 124–126

privy gardens, 23–24

propagation, 110–115

pruning, 116–118

Q

The Quakers, 38

R

raised beds, 20

religious uses of herbs, 18, 19–22

Renaissance gardens

overview, 27–28

herbs and, 18

knot gardens, 28–35

museum recreation, 14–16

Robinson, William, 40

Rohde, Eleanour Sinclair, 14, 40, 78

roof gardens, 127

root division, 112, 114

S

Sackville-West, Vita, 14

St Gall, 20

St John's Day, 63

salad herbs, 62

scented herb gardens, 70–76

seats and benches, 23, 24–25, 91–93

seed-sowing, 110–112, 114

self-seeding herbs, 43

shade gardens, 129

Shakers, 38

Subject Index

Sinclair, Eleanour, 40
Sissinghurst Castle, 14
Society of Herbalists, 40
soil preparation, 109–110, 111. *see also* composting;
mulching
sowing seed, 110–112, 114
statuesque herbs, 46–48, 133
Stocking, Paul, 12
Strabo, Walafrid, 20
strewing herbs, 20
The Suburban Gardener and Villa Companion (Loudon), 39

T

tall herbs, 46–48, 133
terraces, 44, 74, 127
toadflax, 10–11
topiary, 27, 118
Tradescant family, 33
training and clipping, 116–118
transplanting, 33–34, 115

wind protection, 127
windbreaks, 88, 106
winter preparations, 126
Wolsey, Thomas, 27
World War I, 40

Plant Name Index

Cultivars are listed only under the botanical names of plants. Page numbers in italics indicate illustrations or photos. Page numbers in bold indicate listings in the plant catalog.

A

abscess root (*Polemonium reptans*), **153**

Achillea

decolorans (mace), **134-135**

millefolium (yarrow), 22, 44, 63, 68-69, **134-135**

ptarmica (sneezewort), **134-135**

ptarmica 'Pearl' (sneezewort), **134**

spp. (yarrow), 8-9

Aconitum napellus (monkshood, wolfsbane), 13, 68-69, **134**

Acorus calamus (sweet flag), 130, **134**

Adonis

annua (pheasant's eye), 26, **134**

vernalis (pheasant's eye), **134**

Aethusa cynapium (fool's parsley), **152**

Agastache anethiodora (anise hyssop, North American mint), 60, **134**

Agrimonia eupatoria (agrimony), 10, 22, **134**

agrimony (*Agrimonia eupatoria*), 10, 22, **134**

Agrostemma githago (corn cockle), 98

Ajuga

reptans (bugle), **134**

reptans 'Atropurpurea' (bugle), **134**

reptans 'Multicolor' (bugle), **134**

reptans 'Rainbow' (bugle), **134**

Alchemilla

alpina (lady's mantle), 52, **134**

mollis (lady's mantle), 95, **134**

spp. (lady's mantle), 72

vulgaris (lady's mantle), 44, 50, 52, 98, **134**

alexanders (*Smyrniolum olusatrum*), **157**

Alkanna tinctoria (bugloss), **134-135**

Allium

cepa 'Proliferum' (Egyptian onion), 89, 108, **135**

fistulosum (Welsh onion), 42-43, 56-57, 59, **135**

moly, 14

perutile (everlasting onion), 97, **135**

porrum (leek), 22

sativum (garlic), 22, 44, 68-69, 97, **135**

schoenoprasum (chives), 44, 53, 56-57, 58, 59, 73, 97, **135**

sibiricum (chives), 42

spp., 46-47, 97, **135**

tuberosum (garlic chives), 120-121, **135**

ursinum (ramsons), **135**

alpine strawberry (*Fragaria vesca semperflorens*), 72

Althaea

officinalis (marsh mallow), 22, 48, **135**

spp. (hollyhock), 47

amaranth (*Amaranthus*), 69, 120-121, **135**

Amaranthus

hypochondriacus (prince's feather), 69, **135**

spp. (amaranth, prince's feather), 120-121

ambrosia (*Chenopodium botrys*), **140**

American ginseng (*Panax quinquefolius*), **151**

American hellebore (*Veratrum veride*), 37, **160**

Anethum graveolens (dill), 22, 68-69, **136**

Angelica

archangelica (angelica), 44, 48, 58, 68-69, 76, 120-121, **136**

sylvestris (wild angelica), **136**

angelica (*Angelica archangelica*), 44, 48, 58, 68-69, 76, 120-121, **136**

anise (*Pimpinella anisum*), 44, **152**

anise hyssop (*Agastache anethiodora*), 60, **134**

Anthemis

nobilis (chamomile), 22, 64, 92, 99

tinctoria (dyer's chamomile), **136**

Anthriscus cerefolium (chervil), 44, **136**

Aphanes arvensis (parsley piert), **136**

Apium

graveolens (wild celery), 22, **136**

graveolens 'Dulce' (wild celery), **136**

apothecary's rose (*Rosa gallica*), 33, 76, 89, **154**

apple mint (*Mentha suaveolens*), 58, **149**

Aquilegia

spp. (columbine), 48

vulgaris (columbine), 26, **136**

arbors and fences, 23, 26, 27-28

Arctium lappa (burdock), **136**

Arctostaphylos uva-ursi (bearberry), **136-137**

Armeria (thrift), 20

Armoracia rusticana (horseradish), **137**

arnica (*Arnica montana*), **137**

Arnica montana (arnica), **137**

Artemisia

abrotanum (southernwood), 33, 73, 105-106, 116, 117, 120-121, **136-137**

absinthium (wormwood), 22, 42-43, 45, 105-106, 109, 117, **136-137**

absinthium 'Lambrook Silver' (wormwood), **137**

borealis (old lady), **137**

camphorata (southernwood), **137**

canescens, 85

dracunculus (tarragon), 44, 56-57, 58, 117, **137**

dracunculus 'Inodora' (tarragon), **137**

maritima (sea wormwood), **137**

nitida, 85

pedemontana, 85

pontica (Roman wormwood), 73, 75, **137**

spp. (wormwood), 48, 68-69

stelleriana (dusty miller), **137**

vulgaris (mugwort), 22, **137**

artichoke, globe (*Cynara scolymus*), 58

Asarum canadense (wild ginger), **137**

Asperula

cynanchica (squincancywort), **143**

tinctoria (dyer's woodruff), 79, **143**

Atriplex hortensis (orach), 57, **137-138**

atriums, 19

Atropa belladonna (deadly nightshade), 68-69, **138**

avens (*Geum*), 75, **144**

Plant Name Index

B

Ballota nigra, **148**
balm of gilead (*Cedronella canariensis*), **139**
Balsamita
 vulgaris tanacetoides (costmary), 44, 73, **138**
 vulgaris tomentosum (camphor plant), **138**
Baptisia tinctoria (indigo broom), 80
basil (*Ocimum*), 44, 58, 61, 128, **150**
bay (*Laurus nobilis*), 32, 44, **146**
bayberry (*Myrica cerifera*), **149**
bearberry (*Arctostaphylos uva-ursi*), **136–137**
Bellis perennis (daisy), 26, 32
bergamot (*Monarda didyma*), 44, 46–47, 48, 68–69, 73, 74, 78, 117, **149**
bergamot mint (*Mentha* × *piperita* ‘Citrata’), **148**
Beta vulgaris ‘Cicla’ (spinach), 58
betony (*Stachys officinalis*), 22, 49, **157**
bilberry (*Vaccinium myrtillus*), **159**
birthroot (*Trillium erectum*), **159**
bistort (*Polygonum bistorta*), 12–13, 44, **153**
black currant (*Ribes nigrum*), 68–69
black haw (*Viburnum prunifolium*), **160**
blackberry (*Rubus* spp.), 68–69
blessed thistle (*Cnicus benedictus*), **140**
bloodroot (*Sanguinaria canadensis*), **156**
bloody dock (*Rumex sanguineum*), **155**
blue flag (*Iris versicolor*), **146**
bogbean (*Menyanthes trifoliata*), **149**
boneset (*Eupatorium perfoliatum*), **142**
borage (*Borago officinalis*), 58, 62, **138**
Borago officinalis (borage), 58, 62, **138**
Bowles’ mint (*Mentha* × *villosa* ‘Alopecurooides’), 60, **149**
box (*Buxus sempervirens*), 28, 29, 30, 31, 33, 34, 56–57, 104, 106, **138**
Brassica nigra (black mustard), **138**
broad dock (*Rumex obtusifolius*), **155**
broom (*Cytisus scoparius*), 66, **141**
Bryonia
 dioica (white bryony), 90, **138**
 spp. (bryony), 86
bryony (*Bryonia*), 86, 90, **138**
bryony, black (*Tamus communis*), 90
buckthorn (*Rhamnus carthartica*), **154**
bugle (*Ajuga*), **134**
bugloss (*Alkanna tinctoria*), **134–135**
burdock (*Arctium lappa*), **136**
burnet saxifrage (*Pimpinella saxifraga*), **152**
burning bush (*Dictamnus albus*), **141**
bush basil (*Ocimum minimum*), **150**
Buxus sempervirens (box), 28, 29, 30, 31, 33, 34, 56–57, 104, 106, **138**
Buxus sempervirens ‘Elegantissima’ (box), **138**
Buxus sempervirens ‘Latifolia Maculata’ (box), **138**
Buxus sempervirens ‘Suffruticosa’ (box), **138**

C

calamint (*Calamintha*), 51, 73, 92, 105, 119, **138**

Calamintha

grandiflora (calamint), 7, 73, 119, **138**
nepetoides (calamint), **138**
officinalis (calamint), 51, 92, **138**
spp. (calamint), 105, **138**
Calendula officinalis (marigold, pot marigold), 33, 42–43, 56–57, 58, 68–69, 120–121, **138**
camphor basil (*Ocimum kilimandsharium*), **150**
camphor plant (*Balsamita vulgaris tomentosum*), **138**
Capitulare de Villis (Charlemagne), 20
caraway (*Carum carvi*), **139**
cardinal flower (*Lobelia syphilitica*), **147**
carnation (*Dianthus*), 26, 52, 76, 90, 117, 141
Carthamus tinctorius (safflower), 79, **139**
Carum carvi (caraway), **139**
cascara (*Rhamnus purshiana*), **154**
catmint (*Nepeta*), **150**
catnip (*Nepeta cataria*), 73, 92, **150**
Cedronella canariensis (balm of gilead), **139**
celandine (*Chelidonium majus*), 68–69, **139**
Celastrus orbiculatus (oriental bitter-sweet), 90
celery, wild (*Apium graveolens*), 22, **136**
Centaurium eruthraea (centaury), **139**
centaury (*Centaurium eruthraea*), **139**
Chamaemelum
 nobile (Roman chamomile), 68–69, 138–**139**
 nobile ‘Treneague’ (Roman chamomile), 35, 48, 100–101, **139**
 spp. (chamomile), 64, 92, 96–97, 100–101
chamomile
 Anthemis nobilis, 22, 64, 92, 99
 Anthemis tinctoria (dyer’s chamomile), **136**
 Chamaemelum nobile (Roman chamomile), 35, 48, 68–69, 100–101, 138–**139**
 Chamaemelum spp., 64, 92, 96–97, 100–101
 Chamomilla recutita (German chamomile), 138–**139**
Chamomilla recutita (German chamomile), 138–**139**
Cheiranthus cheiri (wallflower), 76, **139**
Chelidonium majus (greater celandine), 68–69, **139**
Chenopodium
 album (fat hen), **139**
 ambrosioides (epazote), **139**
 bonus-henricus (good King Henry), 97, **139–140**
 botrys (ambrosia), **140**
 spp., **139**
cherry, morello (*Prunus cerasus*), 58
chervil (*Anthriscus cerefolium*), 44, **136**
chicory (*Cichorium intybus*), 62, **140**, 158
Chinese ginseng (*Panax pseudoginseng*), **151**
chives
 Allium schoenoprasum, 44, 53, 56–57, 58, 59, 73, 97, **135**
 Allium sibiricum, 42
 Allium tuberosum (garlic chives), 120–121, **135**
Christmas rose (*Helleborus niger*), 68–69, **145**
Chrysanthemum. *see* *Tanacetum*
cicely (*Myrrhis odorata*), 76–77, **149**
Cichorium intybus (chicory), 62, **140**, 158
clary sage (*Salvia sclarea*), 46–47, 48, 75, 97, **155**

Plant Name Index

Clematis

flammula (virgin's bower), 76, **140**

recta (virgin's bower), **140**

spp., 89–90

vitalba (traveller's joy), **140**

Clinopodium vulgare (cushion calamint), 49

cloud plant (*Tagetes lucida*), **158**

clove carnation (*Dianthus caryophyllus*), 26, 76, **141**

Cnicus benedictus (blessed thistle), **140**

Colchicum

autumnale (meadow saffron), 68–69, **140**

autumnale 'Album' (meadow saffron), **140**

columbine (*Aquilegia*), 26, 48, **136**

comfrey (*Symphytum officinale*), 34, 44, 48, 68–69, 109, **157–158**

cone flower (*Echinacea angustifolia*), **141–142**

Convallaria majalis (lily of the valley), 26, 68–69, **140**

coreopsis (*Coreopsis tinctoria*), 79, **140**

Coreopsis tinctoria (coreopsis), 79, **140**

coriander (*Coriandrum sativum*), 22, 44, 128, **140**

Coriandrum sativum (coriander), 22, 44, 128, **140**

corn cockle (*Agrostemma githago*), 98

corn salad (*Valerianella locusta*), 58, 62, **160**

Corsican hellebore (*Helleborus corsicus*), **145**

Corsican mint (*Mentha requienii*), 94, **148**

costmary (*Balsamita vulgaris tanacetoides*), 44, 73, **138**

cotton lavender (*Santolina chamaecyparissus*), 32, 34, 50, 85, 104–105, **156**

cowslip (*Primula veris*), 7, 26, **153**

creeping thyme (*Thymus drucei*), 73, 99, **158–159**

Crocus sativus (saffron), **140**

Cryptotaenia japonica (Japanese parsley), **152**

cumin (*Cuminum cyminum*), 22, **140**

Cuminum cyminum (cumin), 22, **140**

curled parsley (*Petroselinum crispum*), **152**

curry plant (*Helichrysum angustifolium*), 35, 46–47, 48, 73, 102, 104, 105, **144**

cushion calamint (*Clinopodium vulgare*), 49

Cydonia oblonga (quince), 58

Cynara scolymus (globe artichoke), 58

Cynoglossum officinale (houndstongue), 90, 105, **140–141**

Cytisus scoparius (broom), 66, **141**

D

daisy (*Bellis perennis*), 26, 32

damask rose (*Rosa damascena*), **154**

dandelion (*Taraxacum officinale*), 62, **158**

Daphne

mezereon (daphne), 74, **141**

mezereon 'Alba' (daphne), **141**

spp. (daphne), 78, 117

daphne (*Daphne*), 74, 78, 117, **141**

Datura stramonium (thornapple), 68–69, **141**

De Materia Medica (Dioscorides), 36–37

deadly nightshade (*Atropa belladonna*), 68–69, **138**

Dianthus

caryophyllus (clove carnation), 26, 76, **141**

caryophyllus 'Crimson Clove' (clove carnation), **141**

Dianthus (continued)

spp. (carnation), 52, 90, 117

Dictamnus albus (burning bush), **141**

Digitalis

grandiflora (foxglove), 117

lutea (foxglove), **141**

purpurea (foxglove), 68–69, **141**

spp. (foxglove), 7, 42–43, 47, 98, 105, 113, **141**

dill (*Anethum graveolens*), 22, 68–69, **136**

Dipsacus fullonum (teazel), **141**

dittany of Crete (*Origanum dictamnus*), **151**

dog rose (*Rosa canina*), 58

drought tolerant herbs, 130–131

dusty miller (*Artemisia stelleriana*), **137**

dwarf elder (*Sambucus ebulus*), **156**
